Understandable. I have not head back from Farshad Vakili concerning SK-El Monte. I was trying to get a copy of any notification that the facility closed or is closing. Is Mr. Vakili also busy with Exide?

Let me know if he doesn't respond. He's been busy with Exide.

Subject: Request to Switch TSD Inspections

Robert,

DTSC was kind enough to accommodate a request from EPA Region 9 to perform 10 commercial TSD facilities within CA (see below):

<u>Facility</u>	<u>ID Number</u>	<u>Address</u>	<u>City</u>	<u>County</u>	<u>DTSC</u>
KW Plastics of California	CAD982435026	1861 SUNNYSIDE COURT	Bakersfield	Kern	

Veolia - Richmond	CAT080014079	1125 HENSLEY STREET	Richmond	Contra Costa	
Clean Harbors Buttonwillow	CAD980675276	2500 West Lokern Road	Buttonwillow	Kern	
Rho Chem	CAD008364432	425 Isis Avenue	Inglewood	Los Angeles	
Safety Kleen Fresno	CAD066113465	3561 S MAPLE ST	Fresno	Fresno	
Clean Harbors Westmorland (?)	CAD044429835	1737 EAST DENNI STREET	Wilmington	Los Angeles	
Safety Kleen LA	CAT000613935	2918 WORTHEN AVE	Los Angeles	Los Angeles	
Crosby and Overton	CAD028409019	1610 W 17TH STREET	Long Beach	Los Angeles	
Safety Kleen El Monte	CAT000613893	10625 HICKSON ST UNIT C	El Monte	Los Angeles	
Chevron El Segundo Refinery	CAD008336901	324 W EL SEGUNDO BLVD	El Segundo	Los Angeles	
Naval Air Station (NASNI) Facility Complex Coronado	CA7170090016	BUILDING 1606 NAVAL AIR STATION	San Diego	San Diego	

Due to error on my part, I mistakenly identified internally Clean Harbors – LA, CAD050806850, as the TSD facility to be inspected instead of SK-LA. The assigned inspector has already performed a lot of prep work on the Clean Harbors facility and I was wondering if okay with DTSC if we inspected Clean Harbors – LA in lieu of SK-LA . We have scheduled the inspection for the last week of October.

Let me know if you have any questions regarding this request. Appreciate any consideration of this request you can give.

regards,

John
